APPEAL DOCUMENT 3.5.1

Criteria-3	Research, Innovations and Extensions
Key Indicator (KI)	3.5.1 Collaborations
Metric	3.5.1 Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years.
Description	HEI RESPONSE: Obtained level: - 0 Expected level: - 4 As per the DVV clarification, all the necessary documents pertaining to the metric were attached. However, despite anticipating a level of 4, a level of 0 was awarded. It seems there may be a technical issue preventing the opening of the attached documents. Furthermore, the Peer team conducted a site visit to one of the mentioned MOUs, "MGM Hospital." During the visit, the Peer Team Members interacted with the Pharm.D. students and expressed their satisfaction. We kindly request you to review the DVV and SSR documents, for which the links are provided below, and take appropriate action. As per the recommended benchmark along with the earlier benchmarks for the QnMs of Affiliated/Constituent college Manual provided in the NAAC website for 3.5.1 metric level 4 benchmark is ≥ 20 . As per our SSR, DVV & Appeal documents the level we obtained is 0 instead of 4 as per our MoUs enclosed (30). Hence it is to request you to consider our SSR, DVV & Appeal documents and award the levels accordingly.

Qualitative analysis of Criterion 3

Vaagdevi college of Pharmacy has a research aim of “Striving towards Excellence”. The research culture is in its infancy and needs attention. Some of the research skills in new areas are under progress and few research articles, book chapters and patents have been published. Workshops on IPR are organized to motivate faculty to apply for patents.

Interactions are arranged with academic institutions and nearby industries for enhancing teaching-learning process, research and training and placement. **Students are encouraged to participate in various activities through MoUs which enables holistic education.** Five patents and few books/ book chapters have been contributed by faculty. Case studies have been incorporated in the book based on experiences so that in house students and researchers are benefited. Seed money is provided by the management to faculty for research activities. Few faculty members have been awarded and recognized for their research contributions. The institution was allotted a National Service Scheme Unit and this cell is active in its extension activities.
