4.3.3. Bandwidth of Internet Connection in the Institution (Leased Line)-2022-23

The institute provides an advanced and highly reliable Internet connectivity infrastructure, incorporating both Wi-Fi and LAN services. This setup ensures uninterrupted and efficient access to online resources for all staff and students across the campus. The seamless Internet connection supports a wide range of academic and administrative activities, fostering a digitally enabled learning environment.

To further enhance the reliability of its operations, the institute has implemented a robust power backup system. This ensures that essential activities, such as practical sessions, lectures and laboratory work, continued without any disruptions, even during power outages. Together, these systems create a supportive and technology-driven atmosphere, enabling students and faculty to focus on academic excellence and productivity without worrying about technical interruptions.
