Congratulations; your application has been successful, and you have been made an offer to study **Pharmaceutical Sciences with Industrial Practice, MSc** at the University of Greenwich. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). You should use this ID in any future communications with the university in order to help our teams assist you.

Please contact our enquiries team at [greenwich@enquiries.uk.com](mailto:greenwich@enquiries.uk.com) for assistance with any queries about your application to study with us, or talk to your agent.

### Accept your offer by paying your deposit

To confirm your acceptance, you must pay your pre-registration deposit within 14 days of receiving your offer. If you are being sponsored by a third party, such as your government or employer, a deposit payment is not required, but you must provide proof of sponsorship within the same 14 day period. Requirements for proof of sponsorship can be found [here](#). If you do not accept your offer within 14 days, then we can no longer guarantee your place, and your course may close if it becomes full. If you do not pay within the 14 day period, you should check the [Closed Course webpage](#) to check if your course still remains open for deposit payments.

The pre-registration deposit is the first payment of your tuition fees and reduces the amount payable on registration. It also qualifies you to begin the CAS process for your Student Visa application. The University encourages students to make all payments to us using our payment platform, GlobalPay for Students, which allows you to pay fees in your local currency and significantly reduces payment fees charged by your bank. See [here](#) under 'International Students' for further details on how to make this payment to us. Please note, you should wait until you have received your Applicant ID number (begins in 001) via email from us before making your payment. For students domiciled in certain countries, we require at least 50% of the remaining funds to be paid pre CAS issuance, see the [How to pay your fees](#) page for further details.

Any deposit payments you make to us are subject to our Charging and Refund policies. Regulations on Financial Matters policy. This and all other university policies regarding payment of tuition fees can be found at [this link](#).

Please note, by paying your deposit and therefore accepting your offer, you are agreeing to the [University's Terms and Conditions](#). These should be reviewed prior to accepting your offer. You will be sent full terms and conditions in the offer letter emailed to you directly.

### Visa information

As an international student, you may require a visa to study with us. It is your responsibility to ensure that you are in possession of a valid visa for studying at the University.

Most students will obtain a visa by applying for a Student visa from the UK Government. In order to apply for this visa, you will require a Confirmation of Acceptance for Study (CAS) number issued by the University of Greenwich. The University will begin the CAS issuance process once you have paid the £3000.00 pre-registration deposit, or have provided proof of sufficient financial sponsorship. You must also complete other pre-CAS issuance checks. More information on the visa requirements can be found [here](#). If you are unsure whether you require a Student visa, please email us at [casrequests@gre.ac.uk](mailto:casrequests@gre.ac.uk).

Further guidance on visas and immigration can be found on the [UK Government website](#). For independent advice, you can refer to [UKCISA Guidance](#).

#### Contact us

Our International Office team will be happy to answer any questions you may have via email at [greenwich@enquiries.uk.com](mailto:greenwich@enquiries.uk.com).
