Direct and Indirect Assessment methods to show attainment of the POs

I. Tool for direct Assessment

- a. First and second sessional, midterm Examinations
- b. Assignments
- c. Laboratory Internal evaluation (Skill Test)
- d. Seminars
- e. Industrial Tours
- f. Major Projects
- g. Training and Workshops
- h. Quiz

II. Tool for Indirect Assessment

- a. End semester Examinations
- b. Exit Survey
- c. Course end Survey
- d. Faculty Survey
- e. Alumni Survey
- f. Employer Survey

Program Outcome Attainment:

Program outcome attainment is done through Direct Attainment method and Indirect attainment method. Both Direct and Indirect Assessment tools are used for evaluation of PO's for the overall attainment, 80% and 20% weightages are given through Direct and Indirect Assessment respectively.

Direct Attainment of PO:

PO attainment through direct assessment is depicted in the displayed tables (1-10) and figures 1-5. They highlight the average attainment of PO from I to IV year of B. Pharmacy, Pharm. D I to V years and M. pharmacy I year (Pharmaceutics, Pharmaceutical analysis, Pharmacology)

Indirect Attainment of PO:

The Assessment methods used for indirect attainment of POs are:

- **Program Exit Survey:** the survey is taken in the last semester (VIII Semester) of the program by the students of the final year.

- **Alumni Survey:** Alumni, Particularly the student who has completed B. Pharmacy Program with in four years of current academic year, Feedback is taken with reference to the achievement of PO's.
- **Employer Survey:** A written Feedback is taken from the Industries for the performance of the students, thus who has undergone summer training and internship in the industries as well as who got the jobs in the industries.
- **Course end Survey (Student Feedback):** This Survey is taken by each student for individual subject with reference to their course outcomes of the end of every semester.

The results of Direct and Indirect assessments used to assess the attainment of POs. The attainment level is calculated by considering 80% of Direct attainment plus 20% of Indirect assessment.

Total PO Attainment = (80%DA) + (20% of IA)

***DA=Direct Assessment *IA= Indirect Assessment**

E-Governance Policy

To be recognized nationally and internationally, every educational institution must have a good E-Governance Policy, a good Governance Document, and good Governance Initiatives. VCOP has established an excellent E-Governance Document and has been implementing several good E-Governance initiatives to maintain and make its mark as one of the country's Institutes of Excellence among the Higher education institutions. For the system to run smoothly, governance must be made inclusive, participatory, accountable, and transparent.

Objectives:

- Incorporate e-governance into several departments of the organization.
- To enhance the effectiveness of operations
- To encourage transparency and accountability.
- To eliminate the use of paper in office administration
- To facilitate internal and external communication among the various departments of the institute connected through internet.
- To Ensure easily accessible information.

Policy:

- E governance policy is implemented in the following areas:
- Planning and development
- Administration
- Finance and Accounts
- Student Admission and Support

➤ Examination

E-governance must be followed in order to create an honest and effective governance system within the institution.

Website: The website must be functioning and reflect the operations of the institution, Offers an easy access to information on all activities, changes, and other important information to the visitors. For updating information, maintaining and working of website, the institution needs a service provider and a system administrator.

Student Admissions: on tseamcetb.nic.in is a college admissions portal that is used to handle admissions. Only this portal will be used to manage the number of students applying for each course, withdrawals, and fee submission. The administrative officer updates the site with the students' admission information.

Accounts: Cams software is used to keep track of finances and accounting. Appropriate security measures should be adopted to ensure transaction confidentiality. Existing workers must be trained, and existing software must be updated on a regular basis. For financial management, the office will continue to use Tally solutions.

Library: For the benefit of students, the institution has a large library with more e-learning facilities. Teachers and students are also involved. The NewGenLib library Automation Software requires that the library be updated on a regular basis. Its web-based services must be used to gain easy access to library services. In a same vein, newer E-resources like DELNET, MICROMEDIX, NDL, Z-LIBRARY BOOKS, DOAJ, SWAYAM, PDF drive E-Books for learning materials and journals are using as per the Library Committee's recommendations.

Examination: VCOP is an affiliated to KU. Hence all examinations are conducted as per the notifications given by KU. Admissions, attendance, exam registrations, hall tickets, and marks uploading will all be completed via KU website. The College Exams in charge is responsible for managing the entire examination process under the supervision of the principal, and while
