A. Safety and Security:

Vaagdevi College of Pharmacy, located in Ramnagar and Hanamkonda, maintains a safe and secure campus environment through a disciplined culture and comprehensive security measures. The college is equipped with 24/7 surveillance, with CCTV cameras strategically placed in classrooms, hostels, hallways, parking lots, entry gates, the canteen, and the library. These feeds are continuously monitored by the principal and supervising staff. Enhanced security is ensured with perimeter walls, stationed security personnel, and strict monitoring of entry and exit points. The institution actively fosters gender awareness and self-defense through specialized programs and workshops. A dedicated Grievance Cell, led by the principal and supported by female faculty members, conducts bimonthly meetings with female students to address their concerns and promote gender equality. To further ensure safety and comfort, the college provides separate amenities, including a sick room for female students, gender-specific common areas, and Child Day Care Centres for female staff members. Initiatives like yoga sessions, well-maintained sports facilities, mentorship programs, and stress management workshops support students' physical and mental health. The presence of an Anti-Ragging Committee, along with emergency response systems such as fire safety equipment and first-aid kits, underscores the college's commitment to creating a secure, inclusive, and supportive environment for all.

B. Counselling:

Vaagdevi College of Pharmacy prioritizes gender sensitization and addresses issues related to sexual harassment through dedicated counselling sessions led by senior female faculty as part of the grievance redressal unit. The institution also focuses on promoting health awareness by conducting blood donation camps and educating female students on maintaining optimal hemoglobin levels and a healthy weight. Campus safety is reinforced with 24/7 CCTV surveillance and routine security inspections. Common rooms equipped with essential facilities provide a comfortable space for students during times of illness. Personalized counselling is available from faculty members to assist students in navigating academic, career, and personal challenges. To support staff, the college offers a day care center, enabling them to work without concerns about their children's well-being. Additionally, self-defense workshops, health camps on nutrition and hygiene, and access to licensed mental health counsellors reflect the institution's dedication to fostering a secure, supportive, and inclusive campus environment.

C. Common Rooms:

Vaagdevi College of Pharmacy provides dedicated common rooms for both boys and girls, thoughtfully equipped with essential amenities such as first aid kits, beds, chairs, tables, and trash cans to ensure a clean and functional environment. These rooms offer a calm and comfortable space for relaxation and recovery, featuring basic entertainment options like magazines and board games. Hygiene is prioritized through regular cleaning and sanitization, while proper ventilation, lighting, and fans contribute to a pleasant and comfortable atmosphere. A direct communication line to the medical team or faculty ensures immediate support during emergencies. These well-maintained common rooms exemplify the college's commitment to promoting student health, comfort, and well-being.

D. Day Care Center for Young Children:

The college's Child Day Care Centre offers an affordable and convenient on-campus childcare option for staff, enabling them to focus on their work without concerns about their children's well-being. Featuring state-of-the-art amenities, the centre provides age-appropriate toys, educational resources, cozy rest areas, and secure outdoor play zones. Skilled caregivers engage children in enriching activities such as storytelling, arts and crafts, and interactive play to promote their overall development. The facility prioritizes health and safety through regular medical check-ups, nutritious meals, and strict hygiene measures. With secure entry systems in place, the centre exemplifies the college's dedication to creating a family-friendly work environment.

E. Grievance Box:

To ensure student concerns are acknowledged and resolved, a grievance box has been set up for submitting complaints. The grievance team meets weekly to review and address the submitted issues. For complex matters, the team works collaboratively to analyze and implement effective solutions promptly. This system guarantees that student voices are valued, promoting transparency and trust. Additionally, feedback on resolved grievances is encouraged to improve the process further. The initiative also includes periodic awareness drives to ensure all students are informed about this resource, fostering a more inclusive and supportive campus environment.
