# COURSE SYLLABUS

## MODULE 1

### Fire Prevention Awareness

Educate participants about common causes of fires and how to minimize risks, emphasizing the importance of fire prevention measures.

## MODULE 2

### Fire Extinguisher Usage

Teach participants how to properly use different types of fire extinguishers, understanding fire classes, and practicing hands-on extinguisher training.

## MODULE 3

### Safe Use of Electrical Equipment

Train participants to use electrical equipment safely, avoid overloading circuits, and address electrical hazards to prevent electrical fires.

## MODULE 4

### First Aid and Medical Response:

Incorporate basic first aid training to address minor injuries and provide immediate assistance until professional medical help arrives.

## MODULE 5

### Continuous Improvement

Encourage ongoing assessment and improvement of the fire and safety program based on lessons learned from drills and incidents.

**REPORT**

**Name of the programme: Fire and safety Programme**

**Duration of Training : 05-02-2018 TO 09-02-2018**

Vaagdevi college of pharmacy organized **"Fire and safety Programme"** for non-teaching staff from **05-02-2018 TO 09-02-2018**.

- The main objective for conducting this programme to be used by non-teaching staff in the proper handling of instruments.
- Though extinguishers come in a number of shapes and sizes, yet all operate in a similar manner.
- Remember safety is first, check whether that can remove the heat and are ideal for tackling or not.
- That should not conduct electricity and can be used on flammable liquids like petrol or solvents.
- This programme was engaged by all non-teaching staff in a proper way and handled correctly by all members of non-teaching staff.
- 14 non-teaching staff from the college have attended this informative programme.
- Every participant revealed that the programme was very interesting and would help them to become more dynamic in the handling of fire extinguishers and also at the time of emergencies.
